

Clarification Notice

Gujarat Fibre Grid Network Limited (GFGNL)

A Government of Gujarat Company

Block No: 1, 8th Floor, Udyog Bhavan, Sector-11, Gandhinagar: 382010

Date: 13/May/2018

With reference to the RFP No: GFGNL/DST/BharatNet – PIA/2018/30 Request for Proposal (RFP) for Selection of Project Implementing Agency for BharatNet Phase-II project in the State of Gujarat under Gujarat Fibre Grid Network Limited (Package A) dated 23rd March 2018 and GFGNL/DST/BharatNet – PIA/2018/31 Request for Proposal (RFP) for Selection of Project Implementing Agency for BharatNet Phase-II project in the State of Gujarat under Gujarat Fibre Grid Network Limited (Package B) dated 23rd March, 2018, and subsequent Corrigenda and Response to Pre Bid Queries;

We are in receipt of feedback from few prospective bidders in terms of limitation of file size as well as the time out issue in uploading files on the n-procure portal. To remove any hurdles due to file size limitation as well as timeout problem while uploading multiple files (only Network design related files as mentioned below in Sr. No. – 2), following clarification is given in relation to the submission of supporting files:

Clarification for Section 2.1 – Procedure for Submission of Bids

Sr. No. 9 – Naming Convention for files

1. Technical and Financial bids except for file types mentioned herein must be submitted online on n-procure portal in the format as has been prescribed in the RFP.
2. Only Network design related files like site survey file(s) (.kml/.kmz/.shp format), detailed survey report, technical design document as well as Taluka layout diagram files (necessarily in pdf format) should not be password protected or encrypted and to the extent possible be uploaded on n-procure portal. File compression is allowed. If for whatever reason it is not possible to upload on n-procure portal, then bidder will submit all those files, (neither encrypted not password protected) in a USB drive or a DVD/CD in the sealed technical bid envelope.

MD, GFGNL
