Modification/amendments /  
clarification in the Policy  
and the Scheme**

**GOVERNMENT OF GUJARAT  
SCIENCE AND TECHNOLOGY DEPARTMENT  
GR No. EHM/10/2011/276392/IT  
SACHIVALAYA, GANDHINAGAR  
DATED: 01/03/2019**

**Read :**

Electronics Policy (2016-21) and Scheme dated: 29-02-2016

**Preamble:**

The Government of Gujarat came out with Electronics Policy and Scheme vide GRs dated 29-02-2016 referred above.

2. During the implementation, few questions were raised for clarification as well as for aligning policy with the Industrial policy in relation to the eligibility, disbursement etc. In consequences thereof, consultation was held with Finance Department, Industries and Mines Department, Science & Technology Department, Office of Industries Commissioner, Director (ICT & e-Governance) and Gujarat Informatics Ltd.
3. Issuance of certain clarifications and amendments for efficient implementation of the policy was under active consideration of the Government:

**RESOLUTION :**

After careful consideration, Government is pleased to issue the following modification, amendments and clarificatory provisions to the Electronics Policy and Scheme -2016-21 issued vide GRs read at above.

Issue	Modification / Amendment / Clarification
<p>1 Definition of New Unit and Expansion: If a company having Electronics manufacturing operation in 'X' place without transferring staff or machinery or without reducing operations at current place, makes investment in a new place 'Y' Place and begins operations Similar to 'X' unit and setting up a new plant 'Y' in, will it be treated as a new unit or will it be "expansion"</p>	<p>'New Unit' means a unit which has obtained an acknowledgement for filing Entrepreneur's Memorandum (EM) with the concerned District Industries Center (DIC) or Industrial Entrepreneur's Memorandum (IEM) with Government of India for setting up manufacturing facility in ESDM sector in Gujarat during the operative period of this policy and commences commercial production / service either during the operative period of this policy, or if he has applied for EM &amp; IEM in the last one year of the policy period then within the operative period of the policy or within one year from the date of coming to an end of this policy.</p> <p>Moreover, an existing unit carrying out new investment at another location to manufacture the same or new end product, which has filed separate EM or IEM for the same and commences commercial production during the operative period of this policy, or if he has applied for EM &amp; IEM in the last one year of the policy period then within the operative period of the policy or within one year from the date of coming to an end of this policy will be considered as a new unit.</p> <p>However, in relation to a new unit set up by an existing unit at a new location, for eligibility for incentives, the old unit should continue to have</p>
