**Illustrative Responses to
Assessment Questionnaire**

STATE PORTAL

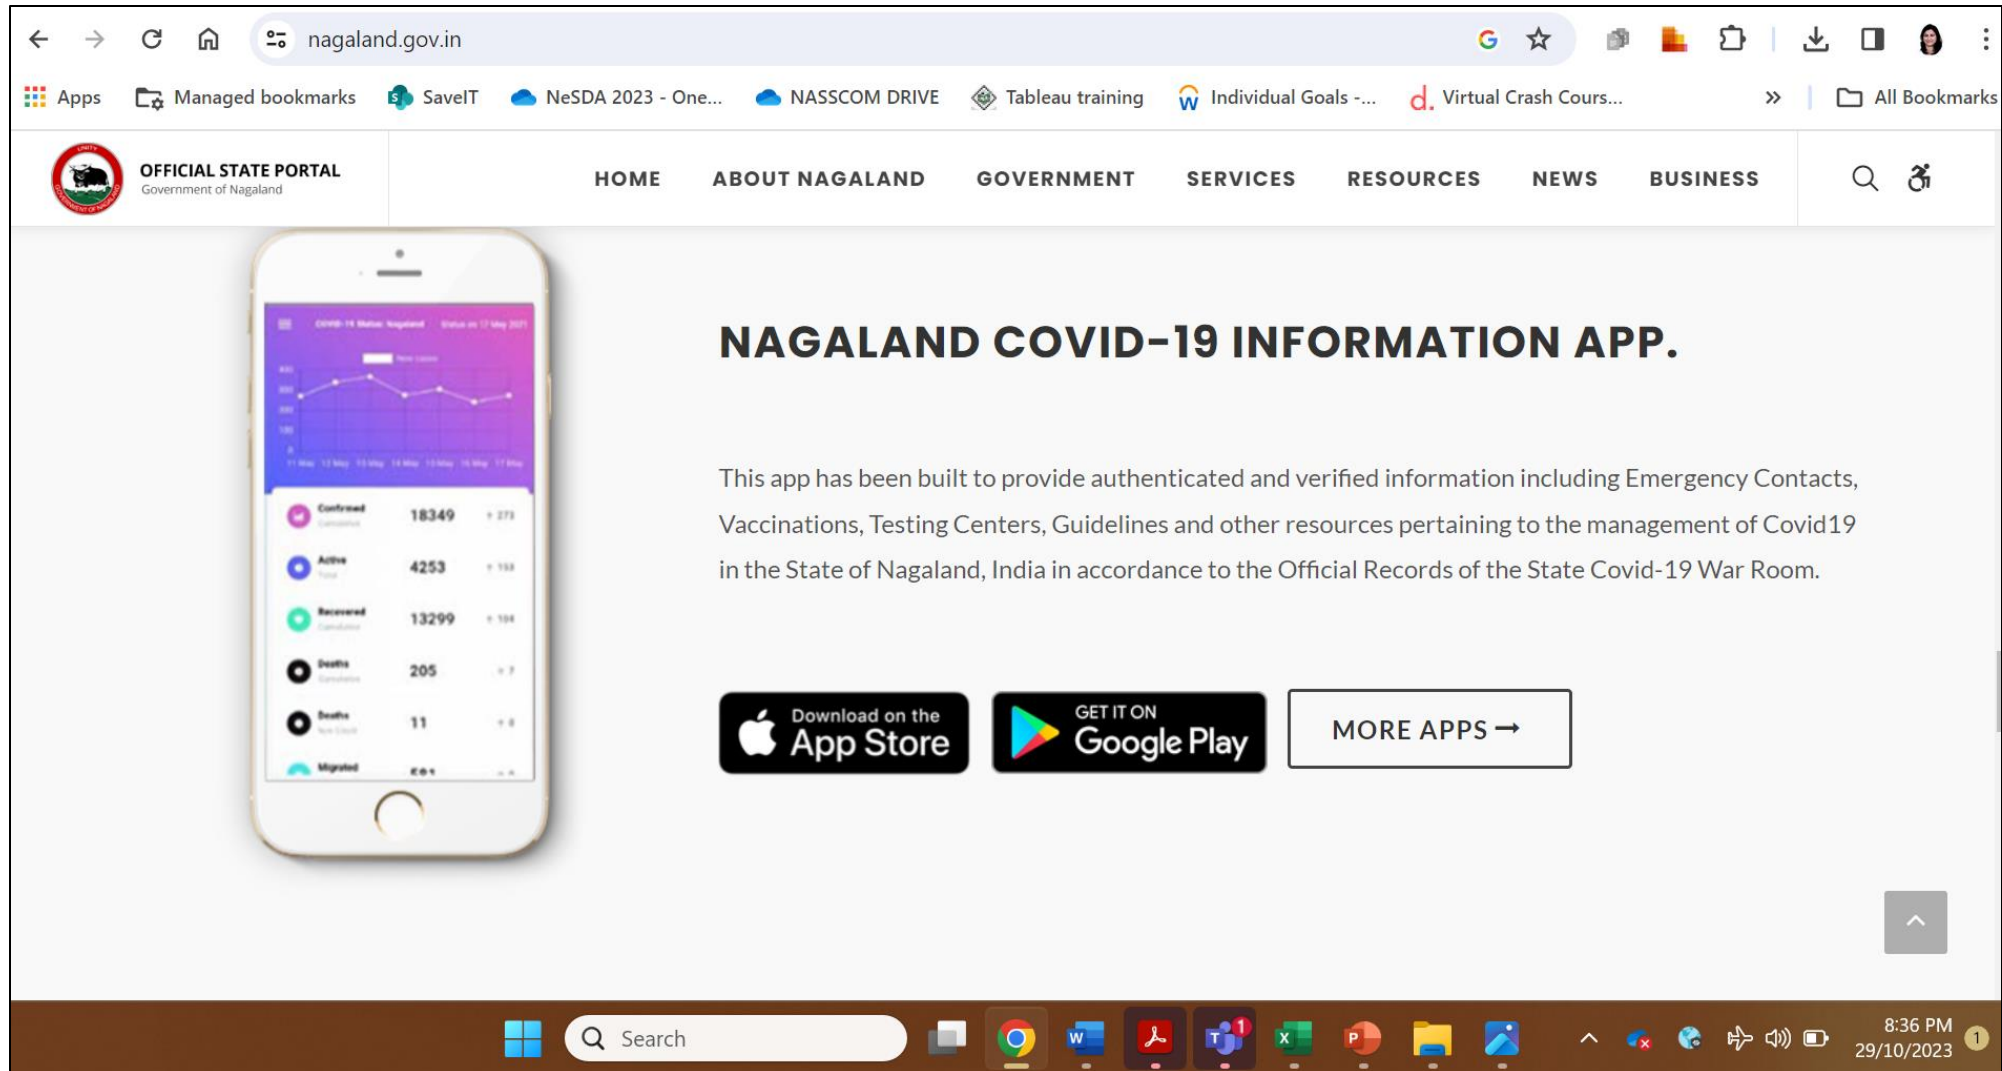

Parameter	Question 1	What is Evaluated
Accessibility	Is the State Portal url provided in this survey also listed in NGSP (https://services.india.gov.in/) portal?	State Portals provide a single window access to the information and links to the services being provided for the citizens and other stakeholders. It is suggested to have the State Portal url listed on NGSP. Kindly provide the supporting document regarding presence of State Portal url on NGSP.

The screenshot displays the National Government Services Portal (NGSP) interface. At the top, the portal's name and tagline "Find Government Services Faster" are visible, along with the "an initiative under india.gov.in" logo. A search bar contains the text "Kerala State Portal". Below the search bar, the "Search Results" section shows 2859 services. The first result, "Kerala State Portal", is highlighted with a red box. It is categorized as "Informational" and has a 5-star rating. The description states: "The official web portal for the Government of Kerala serves as a comprehensive platform for citizens, providing information, services, and updates on state governance, policies, and initiatives." A "More" button is visible next to the result. On the left side, a sidebar lists various service categories such as "Education and Learning", "Health and Wellness", "Electricity, Water and Local services", "Money and Taxes", "Jobs", "Justice, Law and Grievances", "Travel and Tourism", and "Business and Self-employed". The bottom of the image shows a Windows taskbar with various application icons and the system clock indicating 7:55 PM on 06/11/2023.

Parameter	Question 2	What is Evaluated
Accessibility	Availability of feature for users to create personal login on the portal	Availability of the feature to enable users create personal login on the portal

The screenshot displays the official website of the Government of Karnataka. The browser address bar shows the URL karnataka.gov.in/english. The top navigation bar includes links for Sign In, ಕನ್ನಡ, Click here to visit CM Portal, User Login (highlighted with a red box), User Registration, and a search bar. Below the navigation bar, the Government of Karnataka logo and name are visible, followed by a horizontal menu with icons for Home, About Us, Government, Employment, Education, e-Services, RTI & Acts, e-People, Contact, and Helpline Numbers. The main content area features a large banner image of three men in traditional yellow and red attire playing musical instruments. To the right of the banner, there are circular portraits and names of the Hon'ble Governor of Karnataka, Shri Thawar Chand Gehlot, and the Chief Minister of Karnataka, Shri Siddaramaiah. The Windows taskbar at the bottom shows the search bar and various application icons.

Parameter	Question 3	What is Evaluated
Accessibility	Availability of installable mobile applications for providing information and availing services of portal	Availability of information that Mobile App can be downloaded through Google PlayStore, Apple AppStore, etc

The screenshot shows the official website for the Nagaland COVID-19 Information App. The browser address bar displays 'nagaland.gov.in'. The website header includes the Nagaland Government logo and navigation links: HOME, ABOUT NAGALAND, GOVERNMENT, SERVICES, RESOURCES, NEWS, and BUSINESS. The main content area features a smartphone displaying the app's interface, which includes a line graph showing COVID-19 status over time and a table of statistics.

NAGALAND COVID-19 INFORMATION APP.

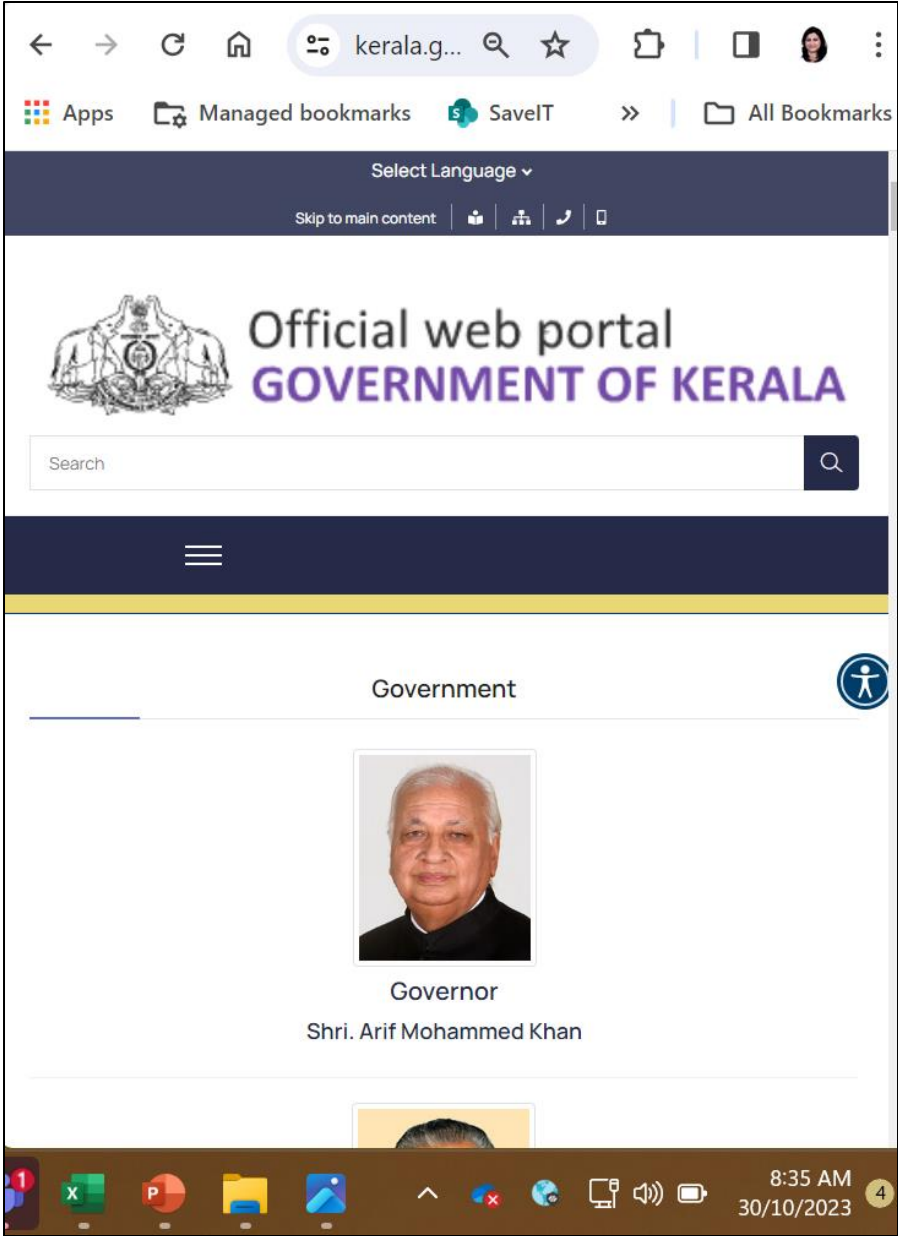

This app has been built to provide authenticated and verified information including Emergency Contacts, Vaccinations, Testing Centers, Guidelines and other resources pertaining to the management of Covid19 in the State of Nagaland, India in accordance to the Official Records of the State Covid-19 War Room.

Download on the App Store | GET IT ON Google Play | MORE APPS →

The statistics displayed on the app interface are as follows:

Category	Count	Change
Confirmed	18349	+ 273
Active	4253	+ 153
Recovered	13299	+ 104
Deaths	205	+ 7
Deaths	11	+ 0
Migrated	200	+ 0

Parameter	Question 4	What is Evaluated
Accessibility	Is the portal designed using auto-format to adjust to various mobile devices like tab, iPad, mobile phones etc.	Multi Device Compatibility of the portal i.e., the portal adjust to various mobile devices like tab, iPad, cell phones etc.

Parameter	Question 5	What is Evaluated
Accessibility	Does the portal provide help desk/online support/call center/help line numbers for users?	Availability of help desk/online support/call center/help line numbers for users on the portal

The screenshot shows the official website of the Government of Jammu & Kashmir. The header includes the website URL and various utility links like 'Apps', 'Managed bookmarks', and 'SaveIT'. A navigation bar with icons for Home, About Us, Government, Judiciary, Services, Business, Contacts, and Connect is present. Below this is a search bar and a 'Photo Gallery' section. The main content area features a large photograph of Lt. Governor Manoj Sinha, an elderly man with white hair, wearing a dark blue jacket, interacting with a group of medical professionals in white coats. To the right of the photo is a 'Video Gallery' section with a 'View All' link. Below this is a video player for 'Awaam Ki Awaaz | EP 28 | 1...'. The video player shows a thumbnail with the text 'SHRI MANOJ SINHA, LIEUTENANT GOVERNOR, J&K' and 'Awaam Ki Awaaz'. It also displays '11 AM', 'ALL INDIA RADIO- J&K | DD KASHIR', 'NewsOnAir', and 'AwaamkiAwaaz-J&K'. At the bottom of the video player are contact details: '+91 8493085049' and 'www.awaamkiawaaz.jk'. The Windows taskbar at the bottom shows the time as 11:28 AM on 03/11/2023.

<i>Parameter</i>	<i>Question 8</i>	<i>What is Evaluated</i>
Accessibility	Is there any eSurvey / online polls being done on the portal currently?	Availability of information on recent eSurvey / online polls on the portal

The screenshot displays a web browser window with the address bar showing 'kerala.gov.in/surveyview/1'. The browser's toolbar includes various icons for navigation and extensions. The main content area features a light blue modal window titled 'Survey' with a close button (X) in the top right corner. The survey form contains the following elements:

- Question 1:** '1. What can be done to maintain cleanliness around schools and public places'. It has four radio button options:
 - ☐ Own initiative
 - ☐ Public participation
 - ☐ Create a community for the same
 - ☐ Participate along with the support of LSGIs
- Question 2:** '2. What can be done to keep water bodies clean and tidy?'. It has four checkbox options:
 - ☐ A community of like-minded people can be formed to clean up.
 - ☐ Bring it to the attention of the authorities.
 - ☐ Spread awareness messages.
 - ☐ Prevent the tendency to deposit wastes in public.
- Form Fields:**
 - Name:** A text input field with the placeholder 'Content'.
 - Email:** A text input field with the placeholder 'Enter Email'.
 - Mobile:** A text input field with the placeholder 'Enter mobile'.
 - Comments:** A large text area with the placeholder 'Content'.
 - Captcha:** A captcha image showing '4 + 2 =' and a red button with a refresh icon, followed by a text input field with the placeholder 'Enter Captcha'.
- Submit Button:** A blue square button with a white document icon.

The background of the browser shows a blurred image of a group of people. The Windows taskbar at the bottom includes the Start button, a search bar, and several application icons (Chrome, Word, PDF reader, Teams, Excel, PowerPoint, File Explorer, and a blue icon). The system clock in the bottom right corner shows '8:43 AM' and '30/10/2023'.

Parameter	Question 9	What is Evaluated
Accessibility	How many services of the State/UT is/are available on NGSP?	Highlight the of no. of services of the State/UT available on the NGSP portal

The screenshot displays the National Government Services Portal (NGSP) interface. The header includes the portal's name, logo, and navigation links. A search bar at the top contains the text 'kerala'. Below the search bar, a sidebar lists various service categories. The main content area shows search results for 'kerala', including a list of services and a detailed view of a specific service: 'Fresh license for sale of liquor to air passengers transiting in the airports of Kerala-FL 7, Kerala'.

Search Results

598 services

Fresh license for sale of liquor to air passengers transiting in the airports of Kerala-FL 7, Kerala

Fully Online | ★★★★★

Fresh license for sale of liquor to air passengers transiting domestic as well as international terminals in the airports of Kerala-FL 7, Kerala

Parameter	Question 10	What is Evaluated
Accessability	Availability of information about compatible browsers and best screen resolutions	Information about Portal Compatibility of browsers and best screen resolutions

The screenshot displays the Nagaland State Portal (nagaland.gov.in) with a dark theme. The header includes the official state portal logo and a navigation menu with links: HOME, ABOUT NAGALAND, GOVERNMENT, SERVICES, RESOURCES, NEWS, and BUSINESS. The main content area features a world map background with contact information for the Department of Information Technology & Communication, including the location (Thizama Road, Kohima 292001, Nagaland), phone number (+91 370 2274169), and email (dit-ngl@nic.in). It also lists recent news items such as 'Procedure for change of name of Government Employees' and 'Transfer and posting of IAS/NCS/NSS and other officers'. A 'Total Visitors' section is visible. A prominent message in a dark box states: 'For best experience view site in 1024 X 1080 resolution. Supports all modern browsers Chrome v84+, Safari 4+, Mozilla Firefox v90+. The Nagaland State Portal is W3C, GIGW and WCAG 2.0 compliant.' The footer contains copyright information (© 2021), terms of use, privacy policy, and contact details. The browser's taskbar at the bottom shows various application icons and the system clock indicating 8:56 AM on 30/10/2023.

Parameter

Question 11

What is Evaluated

Accessibility

Is portal available both in English and local language

Availability of feature to switch language. A multilingual website is any website that offers content in more than one language.

The screenshot displays the homepage of the Karnataka Government website. The browser's address bar shows 'karnataka.gov.in'. The website's header includes a navigation bar with a 'Sign In' button, a language switcher (currently set to 'English'), and buttons for 'User Login' and 'User Registration'. Below the header, there is a row of icons representing various government services. The main content area features a large banner with a scenic mountain landscape. On the right side of the banner, there are two circular portraits of officials: one of a man in a red turban and another of a man in a white shirt. Text in Kannada is displayed next to these portraits. The bottom of the page shows a Windows taskbar with the search bar and several application icons.

Parameter	Question 12	What is Evaluated
Accessibility	Availability of features to enable access to portal for people with visual/audio/motor disabilities	Availability of features to enable differently abled people (visual/audio/motor disabilities) access the portal

The screenshot shows the 'meghalaya.gov.in/accessibilitystatement' page. The page has a dark blue header with navigation links: HOME, ABOUT MEGHALAYA, NEWSROOM, NOTIFICATIONS, TENDERS, CITIZEN CHARTER, KEY CONTACTS, COVID-19 PORTAL, and PUBLIC SERVICES DELIVERY COMMISSION. On the left, there is a sidebar with 'Schemes', 'Forms', 'Services', 'Acts', 'Rules and Regulations', 'Circulars/ OMs', 'Documents', 'Government Orders', and 'Whats New'. Below this is a 'SITE LINKS' section with 'Website Directory', 'Mobile App Directory', 'Calendar', and 'E-Cards'. The main content area is titled 'Accessibility Statement' and contains the following text:

We have ensured that the State Portal of Meghalaya, is accessible to all users, irrespective of the device and technology in use or ability. It has been built with an aim to provide maximum accessibility and usability to its visitors. As a result, this website can be viewed from a variety of devices such as Desktop / Laptop computers, web-enabled mobile devices, etc. The State Portal is best viewed at 1280 x 768 resolution in Google Chrome 50+, Mozilla 40+, Microsoft Edge 91+. We have put in our best efforts to ensure that all information on this portal is accessible to differently able. For example, a user with visual disability can access this website using assistive technologies, such as screen readers and screen magnifiers.

The portal is developed and adhered to the Guidelines for Indian Government Websites

Part of the information in the portal is made available through links to external Websites. External Websites are maintained by the respective departments who are responsible for making their sites accessible.

Accessibility Features

- 1. Skip to Main Content:** Quick access to the main content on the page is provided without going through repetitive navigation using the keyboard.
- 2. Headings:** The Web page content is organized using appropriate headings and subheadings that provide a readable structure.
- 3. Titles:** An appropriate name for each Web page is specified that helps you to understand the page content easily.
- 4. Alternate Text:** Brief description of an image is provided for users with visual disability. If you are using a browser that supports only text or have turned off the image display, you can still know what the image is all about by reading the alternate text in absence of an image.
- 5. Consistent Navigation Mechanism:** Consistent style of presentation throughout the portal is incorporated.
- 6. Customized Text Size:** The size of the text on the Web page can be changed either through the browser or through the accessibility options feature.
- 7. JavaScript Independent:** Web page information and functionalities are independent of JavaScript, irrespective of the browser support for the scripting language.

Changing the Text Size

Changing the size of the text refers to making the text appearing smaller or bigger from its standard size. There are three options provided to you to set the size of the text that affects the readability. These are:

- **Smaller:** Displays text in a font size smaller than the standard font size.
- **Larger:** Displays text in a font size larger than the standard font size.
- **Medium:** Displays text in a standard font size, which is the default size.

To change the text size, click the text-size icons present at the top of any page.

On the right side of the page, there is a vertical menu with links to: Governor, Chief Minister, Chief Justice, Council of Ministers, IAS List, MCS List, Departments, and Districts.

The bottom of the screenshot shows a Windows taskbar with the Start button, a search bar, and several application icons (Chrome, Word, PDF Reader, Teams, Excel, PowerPoint, File Explorer, and a blue icon). The system clock shows 8:29 PM on 29/10/2023.

Accessibility	Does the portal support audio and video playing?	The portal should have features to play audio/video within the page (embedded).

Parameter	Question 19	What is Evaluated
Content Availability	Existence of a separate section on Frequently Asked Questions (FAQ) on the portal	Availability of a separate FAQ section on the portal

The screenshot displays the Nagaland Government Official State Portal. The browser address bar shows the URL nagaland.gov.in/pages/faqs-support. The portal header includes the Nagaland State Emblem and the text "OFFICIAL STATE PORTAL Government of Nagaland". A navigation menu contains links for HOME, ABOUT NAGALAND, GOVERNMENT, SERVICES, RESOURCES, NEWS, and BUSINESS. The main content area is titled "FAQS & SUPPORT" and includes a breadcrumb trail "Home / FAQs & Support".

Frequently Asked Questions

- How to travel to Nagaland ?**

Air : Dimapur is the only airport in Nagaland – direct flights connect this airport to Kolkata and connections can be made from all other airports in India including Delhi.

Rail : Dimapur has a railway station on the main line of the North East Frontier Railway. It is well connected to Guwahati which has direct train lines with most major Indian cities.

Road: A number of taxis ply from Dimapur to Kohima. Night buses connect Dimapur and Kohima to Guwahati and Shillong (Meghalaya). A very convenient way for reaching Kohima is to take the train or flight to Dimapur and then a taxi to Kohima. The Dimapur taxi stand is adjacent to the Railway Station. Yellow Taxis can be hired with other passengers (shared taxis) or exclusively (full taxis) – a ‘full taxi’ can cost anything between `1500 – `2000 for a one-way trip to Kohima. Travellers can also opt to rent a car from Guwahati (through tour operators) and drive all the way to Kohima. This pleasant drive, lasting about 8–9 hours, takes the tourist past beautiful stretches of forests, greenery and hills – one should try to start and end the journey before nightfall.
- How many Districts are there in Nagaland?**

There are 12 Districts in Nagaland. Kindly refer to About Nagaland – Districts section for more details.

The portal also features a navigation menu with links to HOME, ABOUT US, GOVERNMENT, EMPLOYMENT, EDUCATION, e-SERVICES, RTI & ACTS, e-PEOPLE, CONTACT, and HELPLINE NUMBERS. A search bar is located at the top right.

Parameter

Question 29

What is Evaluated

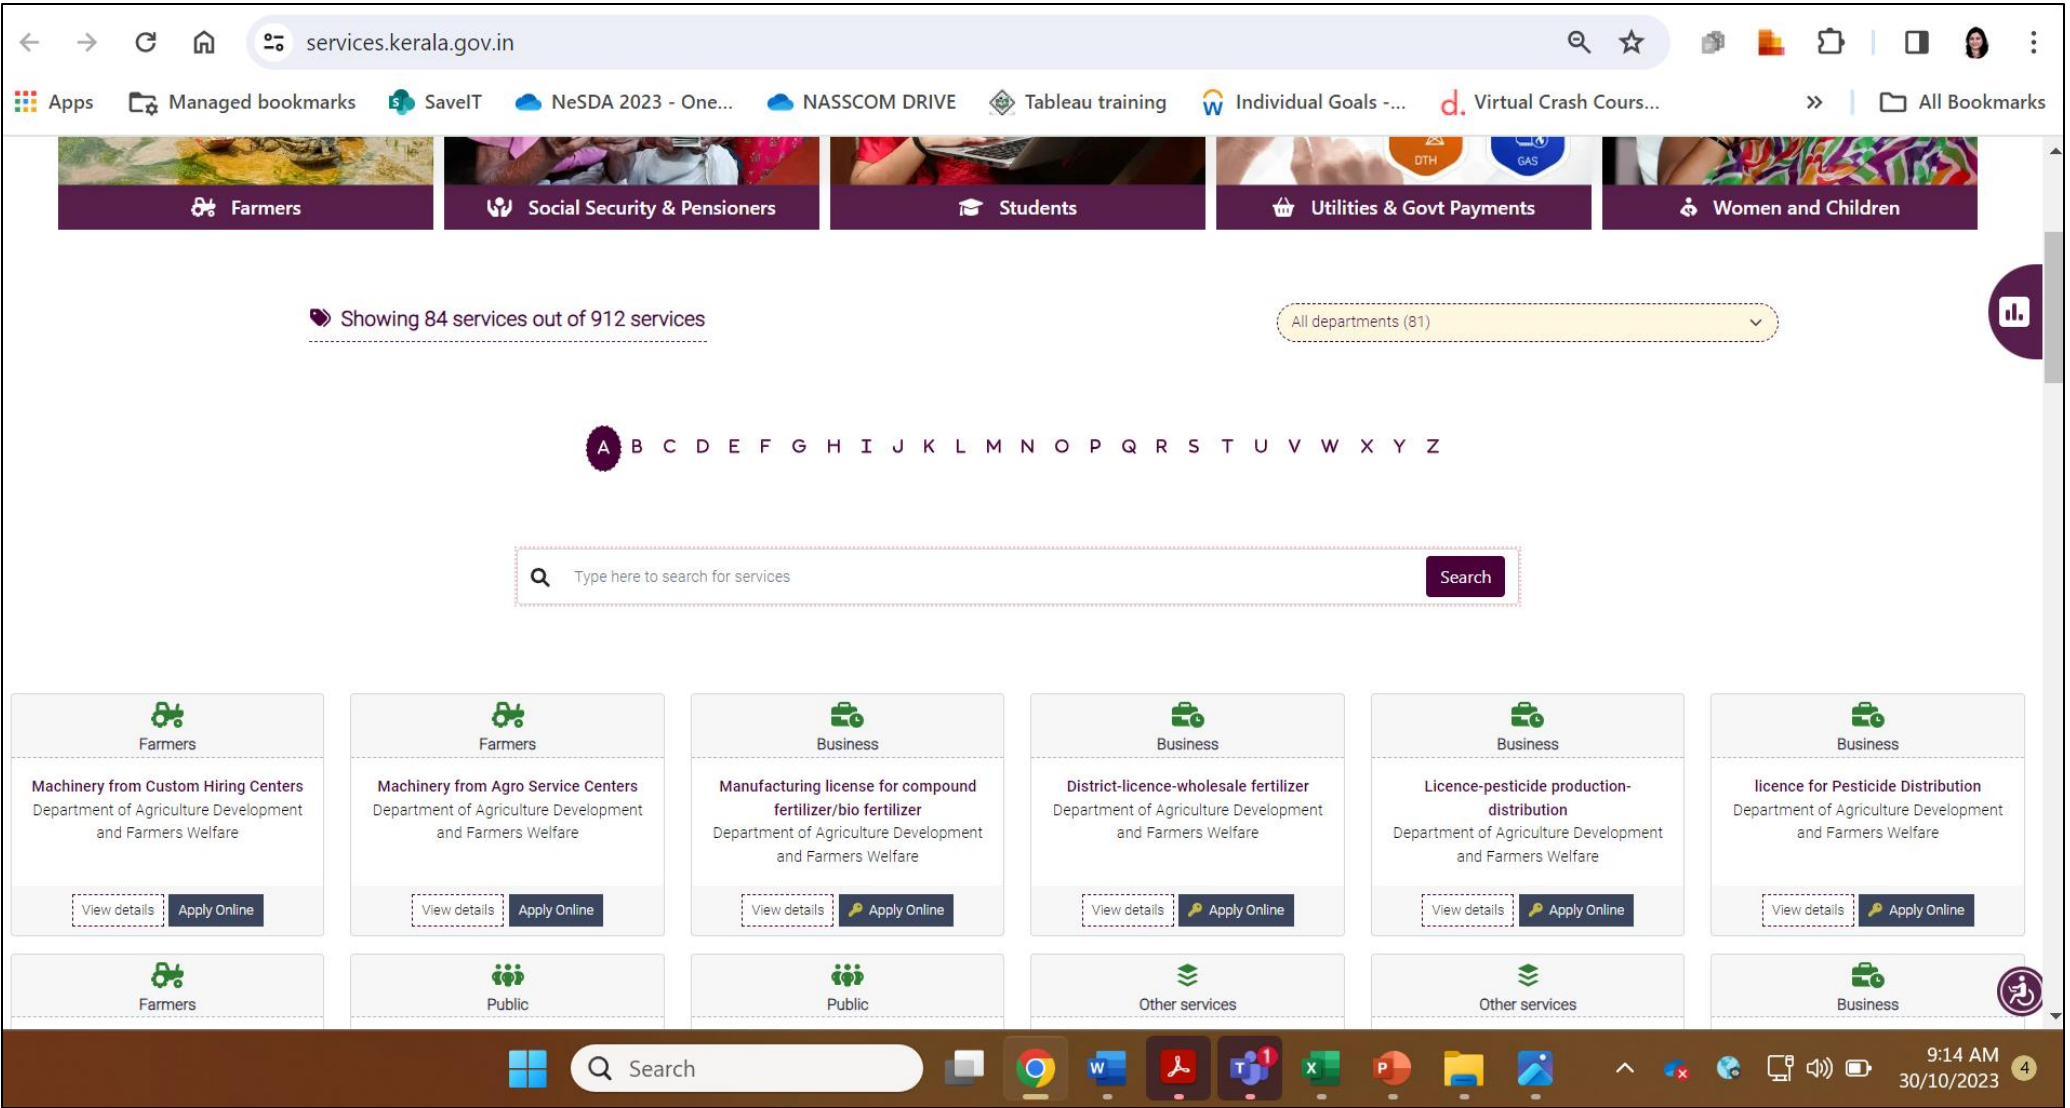

Ease of Use

Is portal easy to find in top search engines - use of search engine optimization technique?

The service link should be one among the top 5 search results.

The screenshot shows a Google search result for 'Meghalaya government'. The search bar at the top contains the text 'Meghalaya government'. Below the search bar, the results show 'About 16,10,00,000 results (0.25 seconds)'. The first result is 'Meghalaya Government Portal' with the URL 'https://www.meghalaya.gov.in'. The snippet below the title reads: 'Whats new · Supplies of online money gaming, online gaming and actionable claims of casinos · The 1st of October, 2023 is appointed as the date from which the ...'. There are four sub-sections listed: 'Departments' (Maintained and updated by: Government of Meghalaya ...), 'Notifications' (Primary tabs · Preliminary declaration of Protected Sites ...), 'Recruitments' (Primary tabs · Application are invited for the post of ...), and 'Government' (Permanent Address : Walbakgre, P.O. Tura, West Garo Hills ...). To the right of the search results, there is a knowledge panel for the 'Government of Meghalaya' featuring its logo and a brief description: 'The Government of Meghalaya, also known as the State Government of Meghalaya, is the supreme governing authority of the Indian state of Meghalaya and its 11 districts. It consists of an executive, led by the Governor of Meghalaya, a judiciary and a legislative branch. Wikipedia'. It also lists 'Chief Justice: Justice Sanjib Banerjee' and 'High Court: Meghalaya High Court'. At the bottom of the knowledge panel, it says 'People also search for' with icons for the Government of India, Meghalaya, and other related entities. The browser's address bar shows the search URL, and the Windows taskbar at the bottom displays various application icons and the system clock showing 11:09 PM on 29/10/2023.

Parameter	Question 31	What is Evaluated
Ease of Use	Availability of multiple portal navigation routes for services and information (Eg. A to Z services Index, State Department wise Service Groups, Service type groups etc.)	Ways in which the services like A-to-Z services Index, State Department wise Service Groups, Service type groups etc. could be availed from the portal

Parameter	Question 32	What is Evaluated
Ease of Use	Availability of search feature on the portal	Availability of search feature on the portal

The screenshot displays the Assam State Portal (sadbhavana.assam.gov.in) in a web browser. The browser's address bar shows 'assam.gov.in'. The page header includes the Government of Assam logo, the text 'GOVERNMENT OF ASSAM', and a 'Skip to Main Content' link. The main header features the 'Assam State Portal' logo, a search bar with the placeholder 'Search keywords or phrases ...', and a notification bell icon. Below the header, a large banner promotes the 'Sadbhavana' initiative, stating it is 'An initiative of the Government of Assam to ensure expeditious disposal of files' and 'Towards Interactive and Responsive Administration'. The banner includes three icons representing 'Quick disposal of citizen applications', '24x7 Real-time Status Tracking', and 'Relief from physical office visits'. A portrait of a man in a suit is shown on the right side of the banner. The footer of the banner displays the URL 'sadbhavana.assam.gov.in'. Below the banner, a 'Top Searches:' section lists various categories: SLRC, Tenders, Recruitment, Schemes, Documents, Aadhaar, Departments, and Districts. The browser's taskbar at the bottom shows the Windows logo, a search bar, and several application icons, including Chrome, Word, and PowerPoint. The system clock indicates the time is 11:38 PM on 29/10/2023.

Parameter

Question 33

What is Evaluated

Ease of Use

Existence of a separate section for Help on the portal

Availability of Help Section which includes all kind of knowledge support a user may need while using the portal.

The screenshot displays the 'about-the-portal' page of the Goa Government portal. The page features a dark blue header with a navigation menu. The menu is organized into several columns: 'KNOW GOA', 'GOVERNMENT', 'CITIZEN', 'CONTACT', 'PHOTO GALLERY', 'PUBLIC GRIEVANCE', 'TENDERS & QUOTATIONS', and 'DEPARTMENTS'. A 'HELP' section is highlighted with an orange border, containing links to 'About The Portal', 'FAQ's', 'Contact', 'Sitemap', and 'Accessibility Statement'. The 'CONTACT' section provides details about the Department of Information Technology, including its location (2nd Floor, IT Hub, Altinho, Panaji, Tiswadi, Goa - 403 001) and website (https://www.dit.goa.gov.in). A map of the location is also shown. The page is viewed in a web browser with the address bar showing 'goa.gov.in/about-the-portal/'. The Windows taskbar at the bottom shows the time as 11:48 PM on 29/10/2023.

Open Government Data

Has State organized promotional campaigns / open data app competitions / hackathons to engage with developer community?

Availability of supporting document to justify organizing promotional campaigns / open data app competitions / hackathons

The screenshot displays the Punjab Government website (punjab.gov.in) with a dark blue header and a white main content area. The header includes navigation links: HOME, ABOUT PUNJAB, GOVERNMENT, NOTICE BOARD, NEWS, SERVICES, AWARDS, and CONTACT US. The main content area is divided into three columns. The left column lists various documents and reports, including 'Punjab at Glance -2022 (Punjabi & English)', 'Punjab Economic Survey 2022-23 (Punjabi/English)', 'Manual of Office Procedure', 'Gradation List of IAS and PCS Officers', 'Environmental and Social Systems Assessment (ESSA) – World Bank BFAIR Project', and 'List of Seva Kendras'. The middle column lists various notices and tenders, including 'Empanelment of Cloud Service Provider', 'Quotation for renewal of insurance policy of Bell 429 helicopter owned by Govt. of Punjab', 'Policies for Websites of Govt. of Punjab', 'Replies to pre-bid queries for RFP reference no. e-tender/technical services/2023-24/02', 'Clarification/Addendum/Corrigendum in the response to Queries raised for RFP Reference No. e-tender/technical services/2023-24/02', and 'The Punjab EX-Servicemen Corporation (Pesco)'. The right column lists various services, including 'PFMS – State Directorate, Punjab', 'Circuit House Booking', 'E-Gazette', 'E-Survey', 'E-survey User Manual', 'OGD Punjab', 'Punjab GIS Dashboard', and 'Hackathon 21-22 April, 2022'. A red box highlights the 'Hackathon 21-22 April, 2022' link. Below the main content area, there are two large colored boxes: a pink one labeled 'Tourism' and a yellow one labeled 'State Profile'. To the right of these boxes is a calendar for October 2023, showing dates from 1 to 31. The calendar is a table with columns for days of the week (M, T, W, T, F, S, S) and rows for weeks. The date 21 is highlighted in red. At the bottom of the page, there is a Windows taskbar with a search bar, task icons, and system tray icons. The system clock shows 11:14 AM on 29/10/2023.

E PARTICIPATION

Home / E Participation

E-Participation is about fostering civic engagement and open, participatory governance through Information and Communications Technologies (ICTs). Growing evidence points to the rapid expansion of e-Participation as a tool for engagement and strengthened collaboration between governments and citizens. Its objective is to improve access to information and public services as well as to promote participation in policy-making, both for the empowerment of individual citizens and the benefit of society as a whole.

Towards this end the Government of Nagaland has adopted the [Policy for Citizen Engagement of the Government of India](#) and launched the MyGovNagaland Platform which enables citizen participation in nation building though online discussions, polls, dialogues and citizen submissions. For more information please visit <https://nagaland.mygov.in>

Question 57

What is Evaluated

E-Participation

Does the State publish outcomes of each E-Participation / E-Consultation online?

Availability of the evidence / outcomes of each E-Participation / E-Consultation online?

review, this will paint a comprehensive picture of the current state of scope of practice in primary care, to inform the next stages of the review.

Increasing access to health and aged care: a strategic plan for the nurse practitioner workforce (the Plan)

We asked

The Department of Health and Aged Care (Department) asked for your views and input on the draft aim, outcomes and actions in the consultation draft Nurse Practitioner Workforce Plan (the Plan). The draft Plan was released for stakeholder feedback from 19 December 2022 to 10 February 2023.

Targeted meetings were also held during this time to seek feedback from stakeholder organisations. Yarning circles and a consumer focus group were also held to test the actions within the draft Plan to ensure they are realistic, implementable and well received by both First Nations peoples and consumers.

Feedback received during the consultation process is being used to refine and inform the final Plan.

You said

In total, 215 submissions were received, comprising of 172 online survey responses, 25 written submissions via email, 15 targeted stakeholder meetings, 1 consumer focus group and 2 yarning circles.

The mix of responses from consumers, nurse practitioners, health professionals and organisations provided a comprehensive understanding of how the aim, outcomes and actions of the Plan were received. Feedback on improving the draft Plan was constructive with suggestions to refine language and review the action's timeline. Whilst many responses were focused on the barriers to nurse practitioners providing care, the Department received useful suggestions for refining the draft Plan.

We did

The Department undertook analysis of the online submissions (including survey and written responses) using the Citizen Space application in February 2023. The data from online and written submissions was further analysed simultaneously with stakeholder feedback from meetings, yarning circles and focus groups. This involved coding the qualitative responses for feedback on key themes and creation of analysis notes to further refine the consultation draft.

Stakeholder feedback captured is being used to refine the Plan and ensure the actions address key nurse practitioner workforce challenges. Suggestions proposed during this round of consultation will be considered by the Nurse Practitioner Steering Committee and used to develop a final version of the Plan for approval by Government.

Question 62

What is Evaluated

Leveraging Emerging Technologies

Does the State have a specific strategy on leveraging other emerging technologies - Block Chain, Internet of Things (IoT), Big Data, Robotics, Augmented Reality, Virtual Reality, 5G, etc.?

Availability of a supporting document - Strategy Document / Note to justify leveraging other emerging technologies

The screenshot shows a web browser displaying the k-tech.karnataka.gov.in/iot/ website. The page has a dark header with navigation links: ABOUT KITS, POLICIES, PROGRAMS AND INITIATIVES (highlighted), FUNDING, and CONTACT US. The main content area is white and features the 'k-tech' logo. Below the logo, the section 'CoE - IoT' is highlighted in blue. The text describes the Center of Excellence as the largest deep tech innovation ecosystem in India, focusing on solving real-world challenges using IoT, AR/VR, Machine Learning, Robotics, and academic research. It lists the objectives of the CoE IoT, which include helping Indian IoT startups leverage cutting-edge technologies to build market-ready products, providing incubation, funding, acceleration, industry connect, and mentoring. The objectives are listed as follows:

- To create innovative applications and domain capability across vertical for country's needs such as Smart City, Smart Health, Smart Manufacturing, Smart Agriculture, and others
- To build industry capable talent, start-up community, and entrepreneurial ecosystem for IoT.
- To provide an ecosystem for innovation to thrive and embrace entrepreneurship
- To energise research mind-set and reduce cost in Research and Development by providing neutral and interoperable, multi technology stack laboratory facilities
- To reduce import dependency on IoT components and promote indigenization
- To position India as a provider of end-to-end solution in engineering space
- To provide environment for product creation, testing and validation

The browser's address bar shows the URL k-tech.karnataka.gov.in/iot/. The Windows taskbar at the bottom shows the time as 11:57 AM on 29/10/2023.
